“ *Frances and all the family,
I have no words to assuage the pain of Delman's passing. One of the dearest and most trusted friends I've ever known. Co-worker, running buddy, golf partner and fellow Sooner Fan.
I'm so sorry I could not attend services as my older brother needed me in Kansas City. Delman was as good a friend as you could ask for. He wasn't perfect but then, none of us are. I will miss him for the rest of my days.
We were fortunate enough one year to play in the Tour Players Championship at Southern Hills in Tulsa and get to meet and and interview the defending champ Paul Azinger. After dining on a scrumptious lunch, we got our 10 minutes with the Zinger. As I was asking questions, Delman was firing away on the camera as his cover to get in was "Staff Photographer". After 2 or 3 minutes Zinger loks at me and says " Should we tell him the lens cap is still on the camera?" You never saw two more beet red faces in your life. Delman says, "Hey it's just like you going to the range before a round. I gotta warm up!"
Rest in peace Ol' friend. I for one will miss our long discussions both in person and on the phone.
Frances, May God send his Angels of Comfort and Healing to wrap you and the family in thier arms.*

“ Wilkie family,

My name is Mytra Smith and I had the pleasure of working with Delman at James Hodge Ford from 2005 through 2014. D-man was always kind, understanding, and fair. I recall him telling me that being born on July 4th, as a child he assumed all the fanfare and celebration was for him. I haven't seen Delman since I left Hodge Ford, but I always think of him on Independence Day and smile. I heart is so sad, and I am truly sorry for the families loss.
