PS

“ I knew Denise as a girl. She spent a lot of time staying with us. Us, also meaning my three daughters. Denise had her own bed at our house. Took Denise and her mother to New Mexico and California where Denise went to Disneyland. Denise lost her father in a plane crash, the same crash that killed my daughters' father. Her mom and I had one another to lean on after their deaths. Sad times but the six of us had one another for a few years. Sad when Christine died and very sad Denise died. God hold them in your arms.

“ I've known Denise since high school. We both hung out together (ooh, the partying we did!) and were both in each other's weddings, lol. Denise was always quick witted and was a loyal friend. We lost contact over the years but reconnected through Facebook. I will miss Denise. She was so much fun and had such a good heart.
