“ *Dennis and Miss Thelma were long-time friends with my late mom and dad (June and L.A. Brewer). Basketball games at CSC just won't be the same with no hug from Dennis. You will be missed! -Teresa Brewer Williams*

“ *Loved spending time with Dennis and Thelma at Connors Basketball games. I was so saddened to hear about Dennis's passing. Going to miss the "Hooray" after the National Anthem was played before each game. He was so excited to tell me about his new truck. He was a friend to many whether he just met you or known you for years. Dennis and Thelma are together again. I*

“ *I have known Dennis and Thelma ever since I started working at the VA hospital in 1997. They were volunteers and always wanted to help and do what they could for Veterans. Every time I saw Dennis, he would smile and give me a hug. I remember Thelma would work our annual Book and Bake sale every year and bring Dennis to help. What was funny was this was Thelma's way of getting homemade desserts for her family's Thanksgiving celebration so she ended up spending more money than most! We'd have to tell her to save some of the baked goods for others to purchase! :) I miss them very much, but will always have great memories.*
