“ Derek was always a great friend. He could always make me smile when I was down. Even after high school he saw me and my children broke down on the side of the road in the heat. He immediatly knew who I was and stopped to pick us up. He drove us to the nearest gas station to call for help. And sat with us until help arrived. That is just one of many memories over the years. He was a great man and friend. I will never forget him. And will always miss my Der Der.
