“ *Teresa and Darla I just found out that Dessie has passed away. Mom was out at Prairie House today taking care of some business for Harry Stege and was told of her death. I miss being able to visit with her. I always made sure I went by for my hug whenever I could get into PH. Breaks my heart and she will be missed.*

Teresa and Darla, Just found out your Mom passed away. I don't know if you remember Johnny and Peggy Nesmith back in the late 70's? We lived in Wagoner and attended Ash Street Baptist in Muskogee where your Dad was Pastor. Just wanted you to know how much we loved your family. Your parents were like angels to us reaching out to us when we were strangers from Arkansas. I will never forget your parents and your Dad's sermons and outreach efforts.to us. His Godly mentorship has stuck very closely to me and made a profound positive effect on my life. May God hold you girls in His arms forever. And thanks to your wonderful parents for all the memories!
