“ *I will miss Dixie like my Mother Verna and I are best friends and my most fond memories were ones we shared with Dixie. She was a very special lady whom I will miss greatly. Dixie would pray for you no matter where you were, she prayed for me in Homeland one day, that is just the prayer warrior that she was. She is at peace now looking down on us from Heaven. Much love goes with you. Laura Buster Cox*

“ *Dixie was a very lucky person to have a beautiful daughter like Verna and two wonderful sons Bobby and Ronnie. When Dixie saw a friend or acquaintance, whether in the marketplace or out to eat, she would invite them to church. She was one of the best wittiness' for the Lord that I have ever seen. She brought out the beauty in all of us when we had special occasions to attend, using her cosmetology skills. We all waited in line for an appointment with this beautiful, redheaded outgoing, talented and extraordinary person. Dixie was loved by everyone. We will miss her, but it is not over yet, we will meet you in heaven Dixie.*

“ This hurts...Dixie was great friend and neighbor to me and my family through my high school years...and a close friend to me and my wife after that...for years we couldn't go home to Porter without going to see Dixie...I feel a hole in my soul today...Rest in peace Dixie....you deserve it...

“ As a kid growing up, my Mama had told me Dixie was born on July 4 and I have always remembered this. She was a firecracker alright and all of us kids loved her. She styled our hair for prom night, cut our hair, we told her our secrets, she gave us advice and in 1962 after I was married and lived away, she gave me a perm at home on a Sunday afternoon. She was some grand lady and will be missed by all of us. Always lively and fun anytime I'd see her.
