“ *I have been blessed to have known the Brewster family thru my childhood and into these later years as her health failed. Doenye always had a smile & hug for anyone, especially in these last days. I was privileged to be a part of those last few days as I knew God was preparing her for that reunion with Keith she had so long wanted. "Doenye-Dean" (as I called her), always would say, "Oh, there's that girl with that beautiful name" when she would see me. Many times. the words & names weren't there, but the memories stored in that big heart of hers were. We all felt very privileged to be a part of the last few days/hours of her life, & want Ray & Carol to know how much the staff @ "The Gate" loved them all. Now, we draw on the comfort of the Holy Spirit as we all learn to navigate these murky waters of life without her; we trust that God in His infinite wisdom will wrap Ray & Carol in His mighty arms of peace & comfort. One day soon, we will all be together again, & that big, bright smile will be a joy to see! Love & God's Peace- Joeline Starkey RN*

“ There's not just a word to describe this wonderful lady , mother, grandmother , friend and wife. Oh how I loved her and Keith were like my 2nd parents for many many years. Larry and I took vacations with them and spent so much time at there house and the body shop. I have so many dear memories if her and both if them. To this day a lot of people thought I was there daughter what a privilege that would have been to have called them mom & dad. I will miss ya like we still do Keith and will see ya again in heaven for sure. So very glad you were part of Larry and me lives we love ya so very much. LaDawn & Larry Norman

“ I was so lucky to have met Ms. Doenye at Magnolia Gardens when she was living next door to my grandmother. Her smile was so infectious, and her personality was always so warm & loving. I so enjoyed visiting with her. She would tell me how my husband was such a "handsome" man, and I would tell her that she would be the only woman I would let say that, then we'd just laugh. My prayers and tears are with her family during their loss of such a wonderful woman. I feel blessed to have known her.

“ i got to know Miss Doenye when she had her clothing store at Lakeland shopping center. What a happy wonderful woman. She always greeted you with a smile and if you were a regular customer she remembered your name. The world has lost a great woman. I am so sorry for her families loss. A great woman.
