“ *Colleen and Harry and Debbie together now in Heaven. No pain or suffering. My prayers are with all of you, may the memories and pictures bring you some measure of relief. My memories of Colleen go back to her answering our pleas to be our cheerleading sponsor. Practicing, sometimes even at "The Jackson" home's front yard or driveway, with her there or close by working in her school office. She was a very positive influence. I so admired her.*

“ I had so much admiration for Colleen. She not only was my big sister, but the one who was my best friend. She was so talented, great homemaker and cook, beautiful voice, had a wonderful sense of humor, and so much fun! Colleen loved children and they loved her! she played so lovingly and enthusiastically with her children, grandchildren, and extended family members. She was a hard worker, and took pride in the work she did. She and Harry always made you feel a part of their beautiful home and family, and you knew they were there for you if you had a need. Colleen and Harry were faithful to God in their prayers and lives, and instilled that in the lives of their family. I will miss her greatly, but will remember her fondly with so many good and wonderful memories. Love you,
Colleen!
