“ *Zip is the name my cousin was called. He and I got to cook, joke and visit on my previous trip to Oklahoma. His mom, Leila joined in our laughter in the kitchen. We had a great visit. I missed seeing him last year when I returned.*

His sense of humor, joy in helping people and love of animals will be missed. Memories of time spent with Zip (Don) will bring smiles and ease the pain of loss. May he rest in peace.

“ I can't count the number of calls that I'd get from Don and in one day Always needed unsweetened tea from Kum and Go along with a handful of other things. In the long run there's nothing I would change in our friendship. Including that time deer hunting but is a whole new story. You take time up there for things like running around them streets of GOLD. R.I.P My friend.
