“ *Lois..I've known you a long time. I wasn't surprised you and Donnie matched up. You two spent 8 years together, you two had fun doing what some people only dream of doing and I know you'll miss him. You will be in my thoughts as you enter the adjustment of Donnie's loss. I am here if you need me.*

“ I have heard about Sissy and Donnie for as long as I knew Mary and it was my privledge to have them into my home and to really meet them. Briana, you were maybe 3 or so that first time I saw you. How my friend Mary loved her little sister. She told me that you were more of a granddaughter than a niece. I have known the ups and downs over the years as Mary saw her younger sister move to Dallas and then on to Tulsa where Mary and Evelene (Broken Arrow I think) lived. I think those 3 sisters all enjoyed the times they had together. I certainly enjoyed interacting with them when I visited. Briana, how your mom and daddy anticipated you into their life. They had been married a long time and then you came along... their little bundle of joy. You were full of innocence for years. I am sure you never dreamed you'd be without your parents at such young years in your own life. Hold tight to the memories. Your parents were good people. They were blessed by having you. Sweet Briana, they will be watching over you and the little family you've provided. Hugs....remember the fun times.

“ Leroy was my grandfather so Don would've been my great uncle. I'm praying for comfort for the family.
