Us Howell boys grew up across the street from Don. His daughter Dee was always with us. But Don would always like giving us boys a hard time about anything. Dee would enjoy catching up again after all these years. Contact me if you would.

“ *Ann, I am so sorry to hear about Don. He was a character and really had a fun sense of humor. So enjoyed visiting with you both when we could get together. Loved ribbing him about the Sooners and Longhorns!!! I have you and family in my prayers. Love you!!!!*

“ *This man became a member of my family nine and a half years ago. He made my mother very happy. He loved a lot of things but I will always remember him sitting in the middle driveway waiting for the postman with his Trump hat on.*
