“ Donnie as he was called, was my best friend from from early childhood. We shared many memories over the years from hunting, fishing and just running around doing things. He was not just a friend he was a true friend. He would help you with anything possible and expect nothing in return. He had an awesome family from his Mom and Dad to present day. He will be greatly missed by all his family, friends and anyone who knew him. R.I.P. my friend..

“ Grew up knowing the Foreman family from church. Close friends with Linda his sister. Such fun memories and lots of laughter. Donnie was always so nice to be around. Many years later my parents moved next door to Donnie and Juanita. My dad was in poor health and handicapped and Donnie just started quietly doing things to help them. He mowed their large lawn, checked on them, shared his smoked goodies but always without wanting any credit or praise. He showed and lived what a true Christian is. He and Juanita were always a team and just precious people. I know Linda and his family were excited to welcome him home. I am sure my dad was in the long line of greeters. Praying for his sweet family.
