“ *Very sorry to here of Don's passing.*

*The pictures of the cave brought back memories of our caving days. I am almost sure I took those pictures of Don. The first one was in Las Palmas Cave (Also know as The Bustamante Cave) in Bustamante, NL, Mexico. Don is in the center, my brother Lee Addison is left front Laurence Berry (deceased) is left rear and I don't recognize the person on the right. The last picture was in Blowhole Cave in Edwards County Texas. I was surprised that Don could get in that cave because my brother Lee couldn't, he had to wait top side.*

*We had a great time back in the day back packing and exploring caves in Northern Mexico and West Texas. Probably more energy than sense.*

*On behave of my brother Lee Addison and myself our condolences.*

*Tom P. Addison*
