

Donna June Kozak

September 30, 1965 - March 9, 2025

Donna June Kozak, 59, of Braggs Oklahoma passed away on Sunday March 9th 2025 at Northeastern Health System in Tahlequah Oklahoma. This was following complications with her gallbladder.

Donna was born September 1965 in Connecticut to Raymond Hazard and Thelma Creech.

Donna is predeceased in death by both parents Raymond Hazard and Thelma Creech, but is survived by her fiancée, Jesse Gilstrap and her two daughters, Harley Kozak and Sara Driggers, as well as her 2 grandchildren Arya and Ronin. She leaves behind a few fur babies as well: Hawk, Apollo, Daisey and Pebbles.

Donna's professional achievements include a certificate in microcomputers from The Ocean State Business Institute and a degree from Indian Capital Technology Center in Medical coding. She was also an active volunteer on the board of trustees at the Tenkiller Fire Department

Donna loved to be outside spending time with her dogs and trimming up her rosebushes. She was always willing to give some of her roses to friends and family. The outdoors was a place where she felt at peace. She was also an avid Scentsy consultant, and loved to share with others the new things that smelled good.

Donna will be missed by not only family, but the many friends she has made in her time living in Oklahoma. The family will have a private Celebration of Life in the coming days.

“ Donna and I had some great times just hanging out(when I lived down the road from her) and on the phone. We had fun, laughs and tears when doing the Auxiliary with Deanna. Now her and Deanna can hang out again! Love and miss you.
