Fly Away Love

Your so special to us

life was a gift having you near

we shall have no reason to fear

fly away love

Your purpose on earth was accomplished

your beauty, love, and intellegance

you have tought so much..

us family and friends will grieve for you

your wonderful and most sensitive touch

you've joind hands with all lost loved ones

but we shall meet again someday

an be together for all and eternity

for that there shall be no more grieveing

a piece of you holds a place in each and everyone of our hearts

It wont be long and we will catch up

of all the time we will spend apat

We love you ALWAYS AND FOREVER

Now fly away love....
