

Dorothy Biggs

November 18, 1941 - July 3, 2020

On July 3, 2020 heaven gained one spunky little woman! Dorothy (Dottie) Laverne Biggs was born in Muskogee Oklahoma on November 18, 1941. If you knew Dottie you know that she was one of the hardest working women you'll ever meet. She worked as a waitress for many years but spent the majority of her career working at Ford Glass Plant in Tulsa where she retired. After retirement she was able to work as a caregiver doing what she loved most, taking care of other people! Dottie had three children, Kristi, Scotty & Tony. Her children were her world & as a single mother she worked long hard hours to give them everything they needed (or maybe they just wanted)! There's nothing she wouldn't do for her family & as sweet as she was there was another side to Dottie that would show up if you wronged any one of them!

Dottie was preceded in death by her daughter, Kristi Biggs; son, Tony Biggs; granddaughter, Ashley Biggs; her parents; grandparent; & all of her siblings. Dottie leaves behind her son, Scotty Biggs & wife Christy Biggs; granddaughter, Brandi Hignite & husband Taylor Hignite; 2 great-grandsons, Eli & Carter Hignite; nephew, Robert Myers; & great nieces, Angela Myers, Heather Wilson & Rexann Ragland.

Dottie was deeply loved by her family & all of her many friends. She will be greatly missed & will live on forever in our hearts!

“ I remember her from early days in Boynton! She was such a hard worker but had time to stop if you wanted to visit! I saw her shortly after Tera passed and she gave me some sweet things to think about! Will never forget her💜

“ *Dottie and I both were caregivers for the same lady for awhile. I have never forgotten Dottie..she was one of a kind. She's was very similar to me. She really loved what she did, always took care of this lady like she was family, and was full of "spunk" (I mean that in the best of ways! Lol). The world had lost a great a lady. I know she loved her kids & grandkids tremendously! My heartfelt love, prayers, and sympathy to her family and friends. 💕 - Shirley Robinett*

“ *I remember riding my bike to the little mobile home by the laundromat to play with Kristi. She came in and out of my dads gas station always her spunky self. She was a little woman with a huge, always kind personality. Prayers for you all. She was one of a kind* 💙
