

Dustin Caleb Morgan

January 18, 1984 - January 1, 2015

Dustin Caleb Morgan, 30 of Muskogee, passed away early Thursday morning, January 1, 2015. Dustin was born January 18, 1984, to David Wayne and Myra Ellen (Tyler) Morgan in Tahlequah, Oklahoma. He grew up and attended schools in Fort Gibson and graduated with the class of 2002.

He played soccer from a very young age. He was Master Goalie for the Bandits and then for the Fort Gibson High School Tigers. Dustin enjoyed hunting, four-wheeling, listening to music and hanging out with his friends. Growing up, he piddled with his Dad in the shop where they tinkered with cars as a hobby. After attending 3 years at Oklahoma State University, OSU, in Stillwater, this hobby became “Top Flite Restoration”, where he planned the building process and painted numerous show winning classic cars.

Dustin was a simple man. He liked to fly under the radar. He always found a way around road blocks—be it passwords or any other obstacle.

In this life Dustin was given many purposes—father, son, brother, soccer player, painter, computer guru...all of which he excelled. He took great pride in himself. His integrity and perseverance was contagious. His legacy will live on.

He was preceded in death by his mother, Myra; his brother, Jeff Morgan; and his maternal grandfather, Leonard Tyler.

A wake will be held on Monday, January 5, 2015, at Cornerstone Funeral Home from 5:30 until 7:30.

Funeral services for Dustin will be 10:00 A.M. Tuesday, January 6, 2015 at

Community Gospel Center, Highway 62 and 4 Mile Road, Fort Gibson with Don Landers officiating. Serving as pallbearers will be Mike Kerr, Brandon Smalley, Jason Jernigan, Scotty Woodard, Ricky Stanford, Garrett Tyler, and Jeremy Jernigan. “ So very sorry to hear of Dustins passing he will be missed by many. Such a great guy always laughing and working. He loved his family and friends. He and his dad and Mike worked on my wife's car and my truck when we wrecked back in 2012. We just had bought a new Honda accord and I was in my truck following her and I hit her and we totaled out my truck and did thousands of damage to the new car, Dustin and everyone of them worked so hard to get us back on the road. Gonna miss coming up there and not being able to pick on him. And I had just went up the other day and his dad told me, that's the first time I had been there since Christmas holidays, such heart breaking.
