“ *ED was a very Special quiet man , with a loving heart for his family ! I remember when Betty was in Nursing School, I was around 16 years old , I dropped by her house and there was ED doing laundry as in lots of Diapers and even folding them just like Mom would do ! I thought boy I want a husband just like him ! He was a wonderful Dad , Husband , Cousin and an all and out a very good man ! So very soft spoken in all my years around him I never once heard him raise his voice ! He also was a very good Christian Man 🙏 See you someday God Bless His Family 💔*
