“ *My precious Cowboy, I just don't know how to go on through this life without you, I know God has a plan and it's a perfect plan, but my heart is just breaking into, You made me crazy at times but you also gave me 10x the laughter and made me feel LOVED at all times!! I have never shared a love like this before and I know I never will again, You had better be waiting on the edge of River Jordan holding a bouquet of flowers for me when I cross over my love. I wish we had more time together and was able to make more beautiful memories but I promise you I will hold onto the 11 years worth that God graced us with. And I am truly thankful God gave us those. There wont be another my sweet love, you are it for me, so until we meet again my precious Cowboy ride high in the saddle and I love you. Your loving (little quarter horse) HAHA Wife Sherry*
