“ *I just learned of Emma's passing. I grew up Knob Noster and was friends great friends with her youngest daughter. I later worked with her oldest daughter. I frequently visited Emma's' home in Knob and also remember visiting her family farm out near Florence/Otterville MO. I would occasionally see Emma at her daughter's workplace and we would reminiscence about my childhood days and she would update me on her grand-kids. Keeping her family in my thoughts and prayers.*

“ *Emma Katherine and I grew up together in Otterville...well, from sixth grade on. She was a dear friend and will be missed. For many years we kept in touch through telephone calls, but as often happens when one moves to the east coast and the other lives in the middle of the country, the calls come less often and traveling becomes more difficult we drifted. I remember fondly the calls and the sharing of family stories.*
