“ Emmanuel and I are friends even though he got the jump on me getting into heaven. I am simply amazed at his ability to give Indian names to all our Great Grand Children, Grand Children and his children. Each name has a very specific and intentional description and meaning. Manuel is a great listener and has always treated me with respect. I enjoyed our visits in the last five years of his life, knowing very well he was in some pain and discomfort. (No complaints from him). We talked about his career and mine and about the fine subject of fishing. We have decided that both of us are expert fisherman even though we can't prove it, ha! Good bye old friend, I will see you in heaven. Sonny Webb
