“ I am blessed to have had Erbie as a true friend! He and I became fast friends when I decided that the runway light I found would make a nice planter. Martha his loving wife couldn't understand what he was doing with the new neighbor lady all day. From that day on Erbie, Martha and I remained not only friends, but family! His smile and laugh were infectious. No miles or time separated the love and friendship we shared. Til we meet again my friend I will carry you in my heart! To Martha and children I will keep you close in prayer for the days ahead.

“ After Erbie accepted Christ as his Savior, he and Martha was always involved with our Children and Youth program at church. Erbies' grandchildren should be very proud that they had a part in his salvation. My prayer and I'm pretty sure it's Erbies that his family accept and serve God with all their heart and soul for Erbie is waiting to see you once more in Heaven. Prayers and love are with you.

“ One year we went to grandma and grandpa's house in Fritch, Texas for Christmas. Grandpa Erbie and my brother Nick were playing with a balloon mouse. Flipping it at each other then chasing to get it before the other person. They were running so fast then rolling on the floor and laughing so hard! Grandpa Erbie was wore out afterwards and probably more sore than he ever admitted to being. It was a sight to see!

“ Dennis, Ronnie, Allyne and Donna,

It is an honor to have been a small part of your family.

I am not sure how Erbie tolerated the mischief Dennis and I put him through over the years.

I can remember the trips we made to visit driving down that muddy lane with the deep muddy ruts hoping we would not get stuck! My Mother and Father would play cards with Velma and Erbie drinking Salty Dogs through the night while Dennis and I were in the back room planning our next adventure.

I truly hurt inside over our loss of Erbie.

I hope you all can find the strength celebrate Erbie's life and I hope the pain and sadness passes soon for you all.

Your friend
