“ Ernie was my friend since junior high days at old West High through fraternity life at OSU. Lots of adventures, fun times, and lots of growing up. He had a zeal for life and love of people. My regret is not staying in touch. Sometimes we are bogged down by every day life and miss the important opportunities. Enjoy the peace and joy of everlasting life in Jesus my good friend.

“ Known Ernie since he opened Soundworld and he was our source for phonograph needles and sound equipment for our dance studio. We have had an ongoing relationship all these years with tix for MLT and selling tickets for us for Senior Follies. He was always pleasant and helpful. He will be missed. Prayers for his wife and family. Bob and Isabel Cockle.

“ The eleven plus years that I worked for Ernie were absolutely some of the best years of my life. There is no way to describe how much he meant to me and to Mark. He was not only my boss but my friend. And then I found my best friend in Joy! How lucky was he that he got to have both his wife and his "work" wife looking out for him everyday.

He made me laugh and he always told me thanks for a good day. He will be greatly missed by many but immeasurably missed by us. Thanks Ernie for the memories!

We love you and "Ho Ho Ho, Merry Christmas!
