“ I learned to swim at a young age cause of him. He threw me out of the boat with a rope to pull the boat up slow so he didn't bang up ol green on the rocks lol.

Nick Shatto - June 20, 2016 at 08:25 PM

That's funny Nick...my first experience of learning to water ski was somewhat the same....he through me in, the skis right behind me, said "Put these on, grab that rope and don't let go until I tell you to"...I learned to ski that very day
