“ Dean was a happy go lucky kind of guy. He loved to eat pie and cookies. He loved fresh vegetables right out of the garden. He loved to visit when he got a chance. He has been a truckdriver everysince we knew him. He always had something to talk about. He liked being out there on the road meeting people as he went. Always knew you would get a call from Dean if he was out there on the road. Dean you will be missed old friend. !!!!
May the Lord Bless and comfort his family in their time of need.
