“ *Eva was one of the nicest, sweetest, most professional women I have had the pleasure of meeting. She approved the loan for my very first car on my own when we worked together many years ago (1980). Then my daughter ended up working with Eva until her retirement and my daughter grew very fond of Eva.*

“ Eva was such an integral part of my life and my families lives. She gave such good loving friendship and care to my mother, Jo Ann Janway and the whole Janway family. We enjoyed her friendship deeply. She was such an icon in the banking industry. And who can forget all the wonderful travels we had with her. What a blessing to have had her in my life. Debra Duncan
