

## Frank Ray Eubanks

November 4, 1962 - June 5, 2017

Frank Eubanks, 54, long time Muskogee resident passed away Monday, June 5th. He was born November 4, 1962 in Wagoner, OK. He grew up in Muskogee, OK and attended Muskogee Public Schools and Indian Capital Vo-Tech.

Frank spent most of his life with outside adventures. He was always creating, building, and sometimes tearing things apart. He was known to take apart an entire set of kitchen cabinets when given his first tool set as a child. He was very intelligent on multiple subjects, and could fix literally anything. He loved talking and building things with his son, Jordan, as well as fixing things for his daughter, Kim.

His hobbies included working on cars and trucks, fishing, spending time with his many friends and riding around with his beloved dog, Belle.

His family recalls him being full of light, smiling constantly. He delighted in being with his older brother and sister. He was often told his personality was just as huge as that of his larger than life parents. Most would agree that his greatest accomplishment was his 3 wonderful children.

He is preceded in death by his parents, Frank and Betty Eubanks; and brother, Jon.

He survived by his children, Kimberly Eubanks McCarty and husband Anthony of Centerton, AR, Jordan Eubanks of Fort Gibson, OK, and Kailin Eubanks of Wagoner, OK; and mother of his children, Lisa Eubanks. He is also survived by his sister Nancy Bellard and husband Randy of Houston, TX; several

nieces, nephews, aunts, uncles, cousins, as well as many dear friends.

Services will be 11:00 A.M., Monday, June 12, 2017 at Cornerstone Funeral Home in Muskogee, OK with his son-in-law, Anthony McCarty officiating.

On behalf of Frank's family, we thank you for your kind thoughts and prayers during this time.

“ Too many memories to share. You were my absolute best friend my senior year. We had so much fun without ever getting into trouble. I loved being at your house with your mom and dad or at your sisters and you were just as happy spending time with me at my grandparents house. They would have allowed me to go to the moon with you Frank. That's how much they thought of you. Your cars were always fast and shining. Your smile and heart were always bright. You were always there whenever I looked up. Well I'm looking up now and I know Heaven is brighter with you there. To your children I can say your dad was truly a great man to have as a friend. Praying for all of you and asking God to hold you tight.
