“ *Frank was our dearest and most selfless friend. Our hearts are greived knowing we will not hear his comforting cheery voice again. He is with Jesus now laughing and skipping in Heaven. He never complained up to the end. Having Frank in our life was God's gift to us while trudging our way on this earth. He was our strength and helper. What a testimony he was. He was God's faithful servant even in his frailty. We will miss him terribly knowing we will be together again when Jesus calls us. May you call upon the Lord knowing he is able to comfort you.
