“ Tonya,
I know there are hardly words to describe how you and your family feel at this moment. I know there are no words that can fill a hole in your heart that great. But I hope that you can find comfort and peace in prayer and with your family. Our thoughts and prayers are with you. Please let us know if you need anything.

“ *In memory of my son. He was stronger than he ever knew, he lived life to the fullest, took the good with the bad and always had that amazing smile I will never forget. He inspired me everyday to live life and love. You will always be in my heart, forever missed and loved.*

The Mighty Oak

Stand tall, oh mighty oak, for all the world to see.

Your strength and undying beauty forever amazes me.

Though storm clouds hover above you,

Your branches span the sky

In search of the radiant sunlight you

Count on to survive.

When the winds are high and restless and

You lose a limb or two,

It only makes you stronger.

We could learn so much from you.

Though years have come and gone

And brought about such change,

Quietly you've watched them all,

Yet still remained the same.

I only pray God gives to me

The strength he's given you

To face each day with hope,

Whether skies are black or blue.

Life on earth is truly a gift.

Every moment we must treasure.

It's the simple things we take for granted

That become our ultimate treasures.

As your aunt you were very special to me. My baby sisters first child. We loved keeping you when you were little. Karissa and Zac couldn't hardly ever wait until we got babe Gabe to house house. They always enjoyed having a baby Gabe around.

This contined throughout your life.

You became just another one of our kids to us. Where Zac was there you were as well. We are going to miss your kind and compassionate heart.

Your beautiful smile that you finally started to show.

Everytime someone said something you agreed with. You would reply right right. So many memories I could write for months. My best memories are the ones I keep tucked close to my heart. Enjoy Heaven

Love you always

“ *Gabe was my nephew and a cherished member of our family. He was a bright kid with a lot of heart. I always enjoyed talking with him, we always had interesting conversations and it always put a smile on my face when we talked and discussed things we had in common. He was a wonderful young man and loved dearly by many family members and friends.*

Living it up at the Tulsa Drillers game. He loved looking at the downtown buildings all lit up at night. Being from a small town and coming up to downtown Tulsa he would always say "I feel like I am in New York." 🤔
