

Gary Frix

July 5, 1953 - October 28, 2014

Gary Denis Frix came in to this world on July 5, 1953 in Muskogee, OK to Carl Frix Jr. and Priscilla [Lowe] Frix. On Tuesday, October 28, 2014, Gary passed away from medical complications due his tough battle with cancer.

Gary grew up in the Honor Heights area of Muskogee, OK and had many fond memories of his childhood home and friends on Palmer Drive. Growing up Gary was quite the marksman and enjoyed many outdoors activities including hunting, fishing, and golfing. He was also an avid boater and spent much of his younger life on Fort Gibson Lake swimming, boating and skiing.

Additionally, Gary also enjoyed the “faster” things in life and could often times be found behind the wheel of a race car or in the family box at Oaklawn Park in Hot Springs following the family’s race horses.

Following in the footsteps of his father, Gary worked at the family business, Frix and Foster Construction Company, and was an active member of the highway construction industry until his retirement in 2007. In 1982 Gary began his own family with the birth of his daughter, Haylee Frix, and, in 1986, added to the beautiful group with an addition of a son, Geoffrey Carl Frix. As anyone who knew Gary could attest, his passion for deep sea fishing, cars, live music, traveling, and living life to the fullest was something he cherished and made sure his children were exposed to early on. He always had a story or life experience to share with all those needing some wisdom.

Gary was baptized at First Baptist Church in Muskogee, OK and loved the Lord, Jesus Christ.

Gary is preceded in death by his older brother, Dr. Carl D. Frix III, and his parents, Carl D. Frix Jr and Priscilla D. Frix. He is survived by his children Haylee Frix and Geoffrey C. Frix. Additionally, he is survived by his younger brother Kemmy D. Frix, sister-in-law Paige Frix, as well as nieces, nephews, cousins, and many other family members.

“ Gary, I have known you since my daughter, Paige, joined your family. I have met your children, who are so sweet. Of course, I enjoyed your Mom and Dad, they loved you very much. Your brother, Kem, always worried about you, and was there if you needed him. Paige helped you with anything that she could. Avery, your nephew, was there for you too.

You will be loved and missed by all. I am glad that you are now out of pain and will be at peace

“ Gary Frix was one of the few of Pete's friends who treated me kindly at all times, even in my times. He was always kind considerate and would always offer a helping hand to us when we needed it. My biggest regret was not knowing he was ill. Pete and I would have like to have visited him. I know he has been in a lot of pain for many years and is no longer in pain. I pray he is Heaven with his parents and sister. -Penny

*Gary was one of my life long special friends that I always loved and felt connected to. That picture shows his attitude and personality, ;-) It makes me miss him dearly. I met him as Weasel, with Chico, Roy, Mionne, John, Carl, and the rest of the group. (There's a great picture somewhere of the 4 guys) We all always had fun, whether we were at the lake, Norman, or just the "Barn". Gary was one of the most intelligent people I ever met, he was always quite challenging. I love his family, Prissy, Carl, and "Mr. Frix", and also, Kem. We all went through a lot when we were young, and it is something I'll hold in my heart for ever. I love and miss you Gary, may you rest in peace...
