“ my father, always considered a handsome man. he taught me how to ride a bike, holding on to the seat as I push the pedals. when I looked behind me to smile at him, he wasn't holding on, I was riding all by myself. we cheered together:) thank you Dad for teaching me how to live. eat, drink and be merry....sing me a karaoke song so I can sleep. I love you

I'm very sad to learn that Gary Don passed away. I always thought a lot of him. We shared a great man between the 2 of us. His Dad my bonus Dad. My heart goes out to his kids Gary and Lora. I'm sure his Dad was waiting on him at the gate and I just bet he handed him that black cowboy hat. I'm sorry for y'all's loss.

“ I feel blessed that my wife and I had the opportunity to visit with Gary Don and the Massey family, in Tulsa, last Summer. I remember that visit fondly, even though it had been many years since our last family gathering, Gary Don's sense of humor hadn't faded one bit. Saved from my mom's house (Pete and Glen Brese's house), I brought many of Grandma Massey's hand made quilts and other items to share with everyone. Gary Don chose to keep her PINK shawl. As we all said our goodbyes, Gary wrapped the shawl around hid head and pranced his way through the parking lot. RIP Gary Don, you were loved and will be missed by all.

“ Gary worked at Hanger Clinic here in Tahlequah when I was hired in 2012. He helped me in many ways to become an orthotist myself. I spent time around him at the annual Education Fair in Las Vegas. I enjoyed working with him and appreciate his help. Prayers for the family!
