“ I have so many wonderful memories of George, but one of my favorite ones was every time he would see me he would say" come here and give us all the good gossip" and toward the later jams he would sneak down to Orville and i and beg a cigarette before he went to bathroom, i love and miss you George, hope you are singing and entertaining heaven

“ Having George as a friend has been a very satisfying experience in my life. George was always upbeat, happy and a perfect gentleman. I always looked forward to seeing him at the many car auctions we both attended, he was quite the smooth car dealer. I can imagine that he is right now jamming on the other side with the saints. “ I am truly heartbroken at the news of George's passing. Some of the greatest times of my life were those I was privileged to spend on the road with George, Viv, Randy, Steve, and of course "cousin Jan" Powers as "piano-picker" with George Guinn and the General Store Band! From Kansas, Oklahoma to Sault Ste Marie, Ontario, we tore up the I-80 corridor in the old blue van pulling our instrument trailer, having the time of our lives on from "permanent vacation".

I was not always in touch in the years after our time on the road, but never forgot the wonderful people with whom I grew from a hack into a mature musician, and I never will. I am still honored to have been invited to perform at George and Viv's wedding anniversary celebration, and though I am no longer able to play or perform I will never forget George's kindness, fairness, honesty and patience.

il have no doubt that God willing I will see you in Heaven one day where we will entertain the angels. Godspeed until we meet again George. I will always see you as my "big brother" and forever band leader.

All my love George.

Rest well my Friend,

Floyd Blevins

“ Ever since I was a little girl, Uncle George would always sing "Love Bug" to me. I love you deeply. All the years of music together. I know you and Mama got some sweet harmony right now and the piano and guitar are screaming. Xoxo..
