“ *Dear Ward family - My Dad worked as a Purchasing Agent at H B Egans for many years. He used to take my lil brother, Arthur and myself Linda to see George and Louise several times. We always had a great time visiting looking at the horses and looking at the monkey in the cage,. George was a great guy and so was his wife.*

“ Pa,

Written words could never express the depth of love I have for you. There is a treasured place in my heart where only you and I dwell. That place will forever hold your smile, kisses, hugs, and the sweetest words I ever heard, "Hi Sweetie!"

Today I ask my JESUS to help me when I feel burdened with the thought of not having you here. As I lift up my hands in faith, HE surrounds me with HIS presence. In his loving voice, HE reminds me that you are also in HIS presence this day. HE took my burden and turned it into joy. Because I choose HIM, I celebrate you. Instead of flowing tears of sadness, I smile. When I close my eyes and think about the cloud of witnesses that welcomed you home I am overwhelmed with happiness. My heart is full when I think about Granny standing there looking as beautiful as ever with arms stretched wide. Oh what a blessing to rejoice with these thoughts.

I love you all the world Pa! You are my heart forever!
