“ Aunt Lorraine,
Some of my best childhood memories include you and how gentile you were. It was always a joy to see you and your family when we took time to come over. I last seen you maybe 30 years ago. I don't think that you'd remember much about me today. But you will always be in my mind as you were when we last meet. You will always be a kind vibrant gentile soul that made every one you touched feel loved and important to you.
I believe you have found rest for your soul, but our hearts will feel you absents and long for your reassuring voice. May God keep you and help us to understand what comfort we drew from you. You truly blessed every who knew you.
We will miss you!

“ Georgia,
Although you didn't know before, I'm sure you know now that you and I have been fighting a similar battle. Your determination and courage have been an inspiration and example for me and my hope is that I can live up to your example. You welcomed this "fast talking yankee" into your family with open arms and I could not have been blessed with a better Mother-in-law. Thank you for my wife Donna. There is much of you in her. You share the same gentle spirit and compassion for others. My life is so much richer for having her share it.
Rest gently and know that you live forever in our hearts and memories and through the example you set throughout your life. I love you!
Mike
