“ I think Glenda's most memorable & favorite story since she met us in 2002 was our son wanting an icee in a sippee cup. She took 2 him like he was one of her own. My favorite story was the first time I met her she carded of course I didn't have it on me, made me mad. Then my husband went to work for her 14 months later. Sure feels different. Miss you lots Glenda Marie Harvey Hilton.
