“ *A nurse knocked on the Pearly Gates. Her face was worn and old. "What have you done," St. Peter said, "for admission to the fold?" "I have been a nurse, sir" she said, "for many and many a year." The Pearly Gates swung open wide. St. Peter touched the bell. "Come in", he said, "and choose your harp. You've had your taste of hell." (author unknown) Rest in Peace, dear Glenda. My prayers to all the family. She will certainly be missed.*
