“ *Bettie, I was so sorry to hear about Al. The last time I saw you two was in Stage in Musk and you both had the same love spark you had when we were in school . After reading about the story of his life on here I thought to myself what a very small world that we live in because my mother was raised on R street and was raaised at Calvary church. I also worked for swbt.I love you and know that my prayers are with you and your family. Love Earlene Switzer*
