“ Pete used to be one of my regular coffee drinkers way back when I worked at Pebble's Convenience Store. He always brought in fresh vegetables from the garden and would sit and tell stories. He will be greatly missed.

“ My father Rev. Edgar McElhannon officiated at the wedding of Pete and Willa Dene. Keefeton Assembly of God was the first church he pastored.

*I shared with him earlier this evening of Pete's passing and he reminisced about many things of that time and of the family.*

*Many years ago, we visited the church and various ones came up to me. Your mom approached me and told me, "I'm the first woman your dad married." I was taken back for a few seconds - then her laughter and my logic kicked in; and I realized he had officiated at your parents' wedding. At the time of their wedding, Dad was single and my parents were married a year later.*

*Dad and Mom always had many memories of their time in Keefeton and as I mentioned Dad reminisced a great deal when I shared the news. Our condolences.*
