“ *June was my mom's neighbor and friend for many, many years at Pleasant Valley duplex's. My late Mom and all of her family appreciated and loved June in so many ways!
She had a huge giving heart!! Often my mom would get a knock on the door with breakfast or items she had picked up at the store for my mom. Most of all, she was always giving of her time visiting with mom outside smoking a cigarette! My families deepest thoughts, heartfelt prayers and love to all of her family at this time! “ June Frost was the kindest, gentlest, most caring person you could know. She has been the most helpful neighbor the past 4 years to Jim Bever, hunting his phone (sometimes several times a day), sharing food, visiting on the porch, keeping a watchful eye out. She will be missed by all who knew and loved her. So glad our paths crossed. Prayers for her family. Jim Bever and The Sizemores.
