“ *Glen was a treasured friend of mine whom I will miss greatly. I did not know of his illness the last years and wish I had. He was a great friend and I will truly remember him as one whom comforted me in the passing of a loved one and stood by my side. He was a great cook, carpenter and all around guy. I am sure there is a place for him in heaven as he loved everyone. Bless you, his family, for having such a wonderful son, father, husband and friend. He will be missed.*
