“ *I would like to send belated condolences to Helen's family on her passing. My late mother Lois Kolar Huffman was a long time friend of Helen, having attended elementary & high school with her in Chicago. They continued to remain in touch until my mom died a few years ago at 92. Helen was a nice person, was very personable, had a good sense of humor and loved her family. She will be missed!*

“ *Aunt Helen was in my life from the time I was a small child as she was married to my mothers brother. We had a Case reunion each year in Oconto, Wisconsin and my aunt Helen came many times when I was young.*
