“ *I met Helen while learning to quilt. She was a joy to be around and always had a smile. She will be missed by many.*

“ *I am so sorry for your loss. I lost my Mom last month. So, I know how it feels. Miss Helen was like a second Mom to me as I was growing up. I am so sorry I lost touch with her over the years. Time passed so quickly you just don't realize it. I did keep up with her from my Mom who would see her from time to time. Looking where a lot of your family is located I am in the same area. I will be praying for you all and know that one day we will see all of our family again. Allan Jackson Northlake, Texas*

“ *I'm so very sorry to hear of her death. Many years ago, she was a very patient and forgiving secretary for a young lawyer who often thought he knew more than he actually did know. I will miss her. (and her baked beans were out of sight).*
