“ *May God be with the family and friends at this time. Thoughts and prayers to all of you. My favorite memory of him is at Christmas time the nursing home would put a life size Santa in the lobby and it would dance. He would stand there and dance with santa. I would laugh and tell him he was gonna fall he would just laugh and say no I won't fall. He loved dancing around. Now he's dancing with the angels and walking with his loving friend who passed a few months ago.*
