“ *My fondest memories of Hudson were at Sirloin Stockade. Every day he was there he brought with him a huge smile. He had an even bigger heart. Over the years after we worked there, he would make a point to let me know if he had seen me when I didn't happen to see him first. We would pick up conversation as if we had just seen each other the day before. He will be missed. My condolences and prayers to each of you.*

“ *Hudson.....I enjoyed working with you and knowing you in the short window of time that we knew each other. You certainly will be remembered. You were a very nice person to work with and always helped with any questions I asked. You will be missed. Our thought and prayer are with your family during this time. May God grant them peace and strength during this time of sorrow. Look forward to seeing you again in Heaven one day.*

“ Hudson, my funny, funny friend, you were truly a unique person. I can't think of a time that we did not laugh at the center. Your stories, jokes, cooking, and over all humor was priceless. We all feel enriched by having known you as a co-worker and friend. Until, I see you again, I will reach back to yesterday and remember . . . To family and friends, God has you in the palm of his hand.

“ Hudson, I enjoyed being your neighbor for many years. I remember going to visit your family and being taught to make balloon animals and balloon apples. Your smile and friendliness will be missed by many including my parents, sisters and I. My prayers for your friends and family.
