“ *So very sorry to hear about Jim. We have been trying to find him for a long time. Contacted several people in the horse industry, but could never get a phone number. Jim started training our horse Raw Appeal as a 4 yr old and he did an outstanding job. We have lots of cherished memories with Jim. He was very special to us. Claude and Patsy Owen.*

“ *I didn't know you, but I know your son and he is a reflection of the fine man his Father was, following in his footsteps and excelling with grace and dignity, prominence and success while remaining humble and gracious. What a man you must have been! Rest in Peace as you surely deserve. God bless*
