James Brian Milne, "Superman", age 39, passed from this life into God's care on Thursday, June 13, 2013. He was born June 18, 1973 in Lumberton, North Carolina. James was the son of Kirby A. James was a devoted father, husband, brother, and son. His passing leaves a hurt in the hearts of the people who loved him. He will be greatly missed.

He was also an organ donor, wanting others to have the chance for a better life.

“ *Hate to hear this, I haven't seen James in about 9-10 years since I moved from Muskogee. We had ALOT of good times!! We worked together and hung out quite a bit. James is still to me, one of the funniest people I have ever known! I could go on and on about the good times we had as friends. One time period that always comes to mind was the trio of friends between myself, James and John Cleveland. Many laughs between those 2 guys and some of the fondest memories of Muskogee, Tulsa, and anywhere else we ventured to. I did not know his family he had since I moved but I am sure as any parent and spouse his family will surely miss him. As a father I could not imagine my children without me.*

“ *I remebr all the adventures we had together, the good, bad, and just day to day grind. The 5 am jokes you cracked on the way to work every morning while i was still trying to wrap my mind around getting up that early. but what i will always remember the most was your caring heart. That no matter what or who the person was if you called them your friend you stood by their side through thick and thin. You have given me more than i ever gave you with laughter and happiness and the knowledge of what family truley means. And i always felt that i was apart of it and loved just as one of them. And I will take that peice of heart that you gave to me and my family on through my life. and most of all brother i want to thank you for letting me be apart of yours. Godspeed until we meet again, I love you man*

“ You were one of a kind, always laughing and joking. It was an honor and privilege to work with you and to call you a friend. You may be gone, but you will never be forgotten.

“ He had the most infectious laugh and was always on the positive end of the negative situations that were brought to him for advice. He would give his attention to anyone that needed it. It had been years since I had seen him, but he was there for me on FB when I needed a friend! You were a true ambassador as to what a friend should be. Love be with you my friend! The Earth has lost a true hero!

“ Where do I start? Marshmallows in the microwave was a good one bet there are so many better. Always good for a laugh, I can count the times I saw you actually upset on one hand. At times it amazed me how positive you were. I swear to you that your kids will know your humor and positive outlook on life and they will want for nothing. As you watch our backs from heaven I'll handle the earthly things that must be done for Andrea, Raven and Braxton. You never let me down and I won't you.
