“ *Jim and his crew did a lot of work for us in November and it didn't take long to see his honesty, integrity and excellent character in everything he did. It was so easy to work with him. He never seemed in a hurry and always took care of details and went above and beyond. He always spoke so warmly of his family and his little daughter. Last time I talked with him was a few days before his surgery when he told me what was going on. I assumed he would be fine. I deeply regret not calling him to see how he was doing. I heard of his passing after the funeral. I feel devastated and heart broken over it even though I only knew him about a month. These things are hard to understand. My love and prayers for his family, friends and his crew in recovering from this terrible loss. Karen Linden*

“ Really enjoyed knowing Jim. Besides being an excellent painter, he was a good person and adored his family above all else. Will truly miss him. Our prayers are with you and your family in this time of sorrow.
