“ *Jamie was a special person with such a great personality and sense of humor. I will remember our visits, talking about our girls and lives. She tricked me into working at the job I have now, but it was a good trick. This is my eleventh year at Mount St. Mary High School, where she had worked parttime. Her family was her first priority. Her presence will be missed here, but she's now enjoying her time in the presence of God, which is the greatest consolation. May she rest in peace. My thoughts and prayers are with the family during this difficult time, but her memory will be with us always.*

“ Some of my best memories of Jamie are of our school days living close in the neighborhood, riding bikes all over the place, going roller skating, running to Thompson's Store before and after school for candy, and cheerleading together at Sadler. But most of all, I will always remember her laughter and smile! She was always upbeat and a wonderful friend! I am so thankful to have had her as a friend and to have the memories. Her family will be in my thoughts and prayers.
