“ *Janet is my mom. I'm so glad to be here daughter. She will be missed and loved by all who knew her. Her best friend is Betty Thompson Ford. Who us girls are very close to. We could always depend on mom when we were down. She had the brightest biggest smile that you can see from a distance. I'm so very glad that I had got to spend the last 2 weeks of her life with her. Now she's our Guardian Angel.*

*Janet was the oldest niece. My early memories of her are pretty vague, as there weren't many years between us. Certainly glad we got to visit for an evening meal with her and Kathy last year, courtesy of Butch and Jeannie.*
