“ *Janice was my closest friend since 5th grade. She would come home (Muskogee) from OKC for every summer, and I couldn't wait until she got here cause that is when the fun started. We remained very best friends and spoke only hours before her passing. Janice was a part of my past, my present and will see her again. I'm so glad she's no longer in pain and is singing and dancing with the angels and JJ. RIP my dear friend....you will be missed. Love you!*
